Gene – I know that I must have had CDM develop something for me to draft the language, but I've not been successful in finding them. It was my intention that you would be developing these, but if you need an example or want to present an idea to me, either would be fine. This does not need to be done during the negotiating period on Section 5 if you are amenable to doing the figures.

Hi Kristine –

We don't see examples the new Figures (Figure 5.1-1 through 5.1-5) cited in Section 5.1 in the files you sent. Will EPA be providing those figures?

Thanks,

Gene

Sorry about that. Use the one with _ea appended to the file name. I'll delete the other one so I don't inadvertently send it in the future.

Hi Kristine -

You provided two versions of the Sec. 5.0, 5.1, 5.2 text file in this submittal. One with _ea appended to the file name and one without. Please let us know which one we should use/review.

Thanks,

Gene

Bob and Jim – Attached are EPA's comments on Section 5 of the 2012 Draft RI submitted by the LWG. Per the agreed upon process and schedule, the LWG has a 30 days review and comment resolution period. Thus, the LWG will have until July 11, 2014 to provide and resolve comments on this section. Let me know if you have any questions.
